

POINT REYES FIELD SEMINARS

Scholarship Application

Thank you for your interest in the Field Seminars program. We want to help a wide audience attend the classes and learn more about the environment around them. Therefore, we attempt to keep scholarship funds available.

Fifty percent scholarships are awarded on a first-come basis to low income individuals and families, teachers, environmental educators and students.

In order to fairly evaluate applicants for a limited number of scholarships, we ask you to please respond to the following questions.

When completed, please mail or FAX to the address listed on the side bar.

Please apply early so we have plenty of time to process your request.
