

HOW TO MAKE GIFTS OF STOCK

Donating appreciated stock can be a great way to reduce your capital gains taxes, receive a tax deduction on your donation, and ensure that the programs and projects that PRNSA funds will continue to thrive.

If you wish to donate stock, please notify your broker that you are making a charitable gift of stock to Point Reyes National Seashore Association (PRNSA). You can instruct your broker to transfer stock into PRNSA's Morgan Stanley account (see below for account and DTC number). If you have additional questions, please contact PRNSA Business Manager Andrew Lowry (415) 663-.1200 x 302, or have your broker contact PRNSA's representative at Morgan Stanley, George Goin (415) 453.0164 about your transfer.

IMPORTANT: Please notify us after you make your donation (or have your broker notify us). This is important because the stock transfer statements we receive do not always include the donor name, which makes it difficult for us identify and acknowledge donations.

A gift of appreciated stock helps us leave a legacy for Point Reyes. Thank you for considering us in your charitable giving this year.
