Approximately 10 minutes after the Drake's Beach turnoff, you will pass the last dairy ranch (Ranch A) and immediately come to a "V" in the road. Turn left toward Chimney Rock. (The Lighthouse is to the right.) Continue toward the water past the Chimney Rock parking lot on your right. Veer right. You'll come to a gate at a park residence and another a little further. The gates will be closed but unlocked. Open them for your passing but please make sure to close them again. Veer right; pass a park residence; and continue down to the Lifeboat Station. Please do not disturb the occupants of the residence at the first gate. Parking at the Lifeboat Station is limited; some cars will have to be parked in the Chimney Rock parking lot above after they have been unloaded.
