High Tide

Check tide tables before walking on beaches. Rising water can trap you against a cliff with no possibility of escape.

Heavy Surf

The pounding surf and rip currents are treacherous, especially at McClures Beach, Kehoe Beach, and Point Reyes Beaches, North and South. Stay away from the water.

Steep Cliffs

The cliffs of Point Reyes are likely to crumble and slide. Climbing on them or walking near the edge invites catastrophe. Because of falling rocks, walking below cliffs is dangerous. Keep away!
